MyZone Health Report Powered By Innova

Mileage Reported: 260000

Report ID #: 4547190804105245

VIN: 3FAFP06Z06R*****

ASE certified Master Technicians have seen this issue on your type of vehicle and the most likely solution is: Replace Exhaust Gas Recirculation (EGR) Valve and Gasket

Definition

Code P061B indicates a fault in the Internal Control Module Torque Calculation Performance.

Error Codes Read

P061B Internal Control Module Torque Calculation Performance

P0128 Coolant Thermostat (Coolant Temp Below Thermostat Regulating Temperature)

U0100 Lost Communication With ECM/PCM A

P0128 Coolant Thermostat (Coolant Temp Below Thermostat Regulating Temperature)

U0100 Lost Communication With ECM/PCM A

More Information

EGR Valve

How It Works:

EGR stands for Exhaust Gas Recirculation. A vacuum or electrically operated valve that re-circulates some exhaust gases into the engine for the purpose of lowering engine cylinder temperature in order to reduce NOx (Oxides of Nitrogen) emissions and detonation.

When It Doesn't Work:

Failure will result in an increase of harmful emissions and detonation inside the engine cylinders.

Scheduled Maintenance

Based on your vehicle's Mileage, the original vehicle manufacturer suggests you perform the following maintenance:

- 260000 miles - Change Engine Oil and Filter
- 260000 miles - Inspect Air Filter
- 260000 miles - Inspect All Fluids and Correct Level
- 260000 miles - Inspect Battery Performance
- 260000 miles - Inspect Brake System, Friction Material & Hydraulic System
- 260000 miles - Inspect CV Joints & Boots
- 260000 miles - Inspect Clutch Pedal Freeplay
- 260000 miles - Inspect Cooling System
- 260000 miles - Inspect Drive/Accessory Belts & Tension
- 260000 miles - Inspect Exhaust System
- 260000 miles - Inspect For Fluid Leaks
- 260000 miles - Inspect Horn, Lights, A/C & Heater For Proper Operation
- 260000 miles - Inspect Steering & Suspension Components
- 260000 miles - Inspect Wiper & Washer System
- 270000 miles - Rotate Tires, Inspect Tire Wear, & Adjust Tire Pressure
- 270000 miles - Inspect Automatic Transmission Fluid if equipped with Dipstick
- 270000 miles - Lubricate Ball Joints, Steering Linkage & U-joints
- 270000 miles - Replace Engine Air Filter
